

## Attention all ICN Participants Actively Seeking Employment

# Join a Search Action Team

(formerly known as Accountability Groups)

Add structure to stay on course with support and new ideas from team members until landing. Assess your situation, develop an action plan, and execute your plan with help from your peers.

### **Why:**

- Goal: determine a job/career that is aligned with personal and financial needs.
- Focus: set short term objectives that when achieved bring the individual closer to landing the desired job.
- Assess: review and record weekly progress.
- Adjust: set new objectives based upon weekly results.

### **How:**

- Establish teams with a maximum of eight members.
- Conduct weekly meetings at a regular, pre-determined site.
- Each team has one facilitator to keep the discussion and assessment on track.
